Dr. E. W. Brown, Occulist, RESPECTFULLY tenders his pro fessional services to the citizen upper Missouri and the Kansas Territory. Having carried on an Eye infilmary for several years past in Platte city, Mo., and having treated a large number of patients with almost every description of diseased Eyes, he flatters himself that he will be able to give satisfaction to all who may desire his services. His infirmary buildings are large and fitted up so that patients are not only well accommodated but under his immediate care. Persons having children laboring under longcoscontinued scrofulous disease of the Eyes are most continued scrofulous disease of the Eyes are most positively assured that they can get them cured at his infirmary.
